I'm a driven professional with a broad technical skill set. A focused and detail-oriented Flutter developer offering exceptional troubleshooting skills, ability to multitask, work in teams and quickly adapt to new environments and technologies. Currently combining programming studies with mobile and web projects using Flutter. Looking for an Intern/Junior Developer position, remote or hybrid in Barcelona.

Passionate about digital, tech, traveling, discovering cultures (I'm a Spanish resident and British college alumni) & languages: I used to work in 5 languages in my hotel management and digital marketing past. Want to constantly improve my personal and professional skills and make a positive contribution to the community.
